

Volitelný předmět
Eligible subject

Stem Cells and Regenerative Medicine (B01674 and B81674)

The subject is opened for maximum of 30 students from
Czech and English Classes study years: 3,4,5,6

Language: **English**

Form: **Lectures**

Credits: **3**

Time: **Thursday 16:00 – 17:30 (7 weeks)**

Place: **Department of Pathological Physiology**
Seminar room No 2007
U Nemocnice 5, Praha 2

Time schedule (winter semester 2015/2016)

| | |
|--|-------------------|
| Introduction | October 13, 2016 |
| Embryonic Stem Cells | October 20, 2016 |
| Induced pluripotent stem cells – iPS cells | October 27, 2016 |
| Hematopoietic Stem Cells | November 3, 2016 |
| Other "adult" Stem Cells | November 10, 2016 |
| Tissue Repair (Regeneration) from Stem Cells | November 24, 2016 |
| Tissue Engineering from Stem Cells | December 1, 2016 |
| CREDIT | |
